

LOW PROFILE LP RANGE

LP-SMX PRODUCT GUIDE

LP-SMX Surface Mount Male Screw Fix – 15kg

The LP-SMX clip adds an extra heavy-duty option to the Low Profile Range. With a 15kg pull out load, the clip is designed for use with heavyweight panels, and is compatible with the LP-F8, and LP-AF8A. The surface mount clip installs easily with 3 x countersink #6 screws, removing the need for special tools for installation. Ideal for large and heavyweight panels with limited panel depth. **NOTE:** Should not be used with LP-DF8 installing into drywall substrate, due to strength of the clip. Refer to Panel Offset Guide for gap between substrate and panel, pull out and shear loads.

BENEFITS

- Invisible panel fixing
- Installs with 3 x #6 countersink screws
- No special tools required
- 15kg pull out load per clip
- Durable design for frequent handling
- Enables non-sequential panel installation
- CNC machine compatibility
- 4mm clearance between panel and substrate
- Screw fix enables installation into wide variety of panel types

APPLICATIONS

- Heavyweight wall panels with minimal depth
- Interior panels
- Ceiling panels
- Moulded into hull
- Marine and architectural applications
- Steel, aluminium or fibreglass panels

LP-SMX 15kg

USE WITH:

LP-F8

LP-AF8A

MATERIAL:

Black GF Nylon
