

METAL MC RANGE

MC-F5 PRODUCT GUIDE

MC-F5 Metal Clip Female - 11lb

The MC-F5, identified by the white centre, self taps or screw fixed into the substrate, before being installed with the MC-M5. Innately fire resistant and ideal for heavy load bearing. Refer to Panel Offset Guide for gap between substrate and panel, pull out and shear loads. Note: For use with wall panels only, not suitable for ceiling panel installation.

BENEFITS

- Metal clip to withstand high temperatures
- Allows for tolerance and panel flex (self centring)
- Provides acoustic and vibration isolation
- 11lb pull out load
- Self tapping and screw fit mounting options

APPLICATIONS

- Fire-rated panels
- Panels in fire egress paths
- Suitable for wall panels only
- Mounting of curved panels
- Install into a variety of substrates
